

Our Lady of the Visitation After School Provision

The club will be a fun, inclusive and safe place for your child to play and relax after school. Our experienced and friendly school staff will pick up from Reception, Year 1 and Year 2. The older children make their way to the After School Club room.

The children enjoy their healthy snack served with fruit and a drink, before setting off to explore what activities are on offer for the afternoon.

As a play focused club, we aim to have resources out that every-one can enjoy and adapt to fit in with their games and needs. Some of these are role play, construction, board games and small world toys.

We also use our outside play space-weather permitting, which gives the chance to have fun outdoors, take part in group games and a variety of different activities. For those children who prefer being creative, we always have a planned art and craft activity.

- The club is open from 3.30pm until 5.45pm.
- £9.00 per session
- £5.00 per half session until 4.40pm
- £5.00 per half session from 4.40pm

Bookings to be made at least a week in advance via School Money

Tennis

We believe that with tennis, like all sports, it should be fun first. Our coaches are taught how to make the lessons fun whilst gradually introducing the technical aspects of the game to the children when they are ready. Our experience has taught us that too much technical instruction too early bores the children, hence the emphasis on the enjoyment value first. Each week, at the same time, a coach visits the school to teach the basic skills of the game. All equipment, rackets, balls and portable nets are provided. The children need only to wear the appropriate clothing. Lessons will last 45 minutes and cost £4 (inc. VAT), payable to the coach on the day.

- **Tuesdays – Years 3 4 5 & 6**
- **Fridays – 1 & 2**
