

Year 6 – Learning from home

On this sheet you will find a series of tasks and activities relating to each area of the curriculum. The activities are designed to be used in case we need to close the school for any reason beyond our control. You have to do the activities in bold. All other activities are suggestions to keep you busy. Remember to read every day. Each activity or task is related to your year group, is designed to be open ended, and can all be done at home with minimal resources.
