

Year 3 - Learning from home

On this sheet you will find a series of tasks and activities relating to each area of the curriculum. You can complete these activities when you want and how you want over the time that you are off school.

You have to do the activities in bold. All other activities are suggestions to keep you busy. Remember to read every day.

Each activity or task is related to your year group, is designed to be open ended, and can all be done at home with minimal resources.
