

**L.O.** To count on and back in 1s, 10s and 100s

Complete the table.

| <b>I have...</b> | <b>1 more</b> | <b>10 more</b> | <b>100 more</b> |
|------------------|---------------|----------------|-----------------|
| 13               |               |                |                 |
| 505              |               |                |                 |
| 1038             |               |                |                 |
| 4824             |               |                |                 |
| 5356             |               |                |                 |
| <b>I have...</b> | <b>1 less</b> | <b>10 less</b> | <b>100 less</b> |
| 113              |               |                |                 |
| 658              |               |                |                 |
| 1038             |               |                |                 |
| 4824             |               |                |                 |
| 5356             |               |                |                 |

### **True or False?**

1. 100 more than 505 is less than 400.
2. 10 less than 356 is the same as 100 more than 246.
3. £100 more than £983 is the same as £1 less than £1084.
4. If John has 927 sweets and he gives George 100, Max 10 and Richard 1, he will have 806 sweets left?

TIP: do the working out in 3 steps.
