Adding and subtracting a 3-digit number and 10s

1

Air team	Fire team	Water team	Earth team
245	157	180	

a) Fire team had 157 points.
They have won 40 more points.

How many points do they have now?

$157 + 40 = \boxed{}$

They have $\boxed{}$ points now.

H	T	O

b) Earth team have 50 fewer points than Water team.

$\boxed{} - 50 = \boxed{}$

Earth team has $\boxed{}$ points.

H	T	O

c) A week later, each team is awarded 30 points for singing in assembly. Complete the table to show the new scores.

Air team	Fire team	Water team	Earth team
525	417	310	201

I will add 30 to each score. I will use equipment to check my answers.
