

Planning a Diary Entry

In each box write notes to say what you will include in each paragraph of your diary entry. You could include what actions the character did, how they felt about what happened and any interesting words you may want to use.

Paragraph 1 - How does the story start? Describe sowing your seeds and then waking up to see the giant pumpkin. What did you do and feel when you saw it?

Paragraph 2 - What happened next? How heavy was the pumpkin? Describe how your husband, the villagers and animals helped you to move it.

Paragraph 3 - Describe what happened at the end of the story. How did you feel? Was the pumpkin tasty?
