

Thursday – Day 4 activity. Read the question and then choose the shape below that matches the description.

Guess and describe the shape!

Choose the shapes from below to match the descriptions.

1. I have one curved face. I have 0 edges. I have 0 vertices. What shape am I?
2. I have 6 faces. All of my faces are 4-sided. I have 8 vertices. What shape am I?
3. How many vertices does a square based pyramid have?
4. I have 8 edges, 5 vertices and 5 faces. What shape am I?
5. Which shape has the most edges?

Can you find these shapes anywhere in your house or garden?

Have you seen them somewhere else?
