<p style="text-align: center;"><b>Mathematics</b></p> <p>This week we are going to be revising sharing.</p> <p><a href="https://www.youtube.com/watch?v=WeXTDYS3E-4">https://www.youtube.com/watch?v=WeXTDYS3E-4</a></p> <p>The Numberjacks are a super helpers. See if you can help them to share equally.</p> <p>Have a look at the "Serve it up" strawberry sheet to have a try at sharing. Remember they need to be equal (save the apple sheet for a challenge later on in the week).</p>	<p style="text-align: center;"><b>Mathematics</b></p> <p>Give your child 10 items (grapes, orange segments etc.). What can you do to share them equally between me and you?</p> <p>This is a revising topic, so please ensure that your child is leading the learning. If they are struggling to remember the process, you can start them off with the "one for me, one for you" mantra we used a few weeks ago.</p>	<p style="text-align: center;"><b>Mathematics</b></p> <p>Here is a fun game to support your learning.</p> <p><a href="https://pbskids.org/curiousgeorge/busyday/dogs/">https://pbskids.org/curiousgeorge/busyday/dogs/</a></p> <p>Make sure you are counting the dog treats as you go along.</p>	<p style="text-align: center;"><b>Mathematics</b></p> <p>Look at the sharing sheets on squared paper. There are 3 different challenges for you on these sheets. Mild, medium and hot.</p> <p>You can choose which sheets to complete, you might want to complete all 3. In school we would normally use stickers to represent the numbers being shared equally. If you have small stickers, you could do the same, or you can draw spots in the boxes.</p>	<p style="text-align: center;"><b>Mathematics</b></p> <p>Today is challenge Friday.</p> <p>Work through the "Serve it up" apple sheet and the sharing challenges cards. You can use your toys or food to support you.</p> <p>Remember you still need to share equally, but this time we are exploring more than 2 groups.</p>

<p align="center"><b>RE</b></p> <p>We are continuing our learning about friends. Think about what makes a good friend. Is a good friend someone who pushes you? Is a good friend someone who shares their toys with you?</p> <p>Draw a picture of your best friend and write down some of the things that makes them a good friend.</p>	<p align="center"><b>RE</b></p> <p>Do the sign of the cross and say the Our Father prayer together.</p> <p>You can also continue to say the Hail Mary prayer.</p>	<p align="center"><b>RE</b></p> <p>We do not always get on well with our friends, sometimes we might have an argument with them. They might upset us, or we might upset them. This is a very normal thing to happen. What might happen to make you and your friend fall out?</p> <p>Mr Gauci and his best friend Engelbert like to play Pokémon Go. One day Mr Gauci and Engelbert were out playing and Engelbert caught a special armoured Mewtwo, but Mr Gauci didn't. Mr Gauci felt very sad.</p> <p>Jesus taught us that it is important to say "sorry" when we do something to upset someone. "Sorry" is a very special word to us, it means we will not do it again.</p> <p>Engelbert said "sorry" to Mr Gauci and helped him to find the special Pokémon. Jesus would have been very proud, the special word "sorry" helps us to make things better and heal our relationships.</p> <p>Have a think about a time when you and your friend have fallen out. Decorate the word "sorry" on the sheet attached and draw pictures of you and your friends.</p>	<p align="center"><b>RE</b></p> <p>Do the sign of the cross and say the Our Father prayer together.</p> <p>You can also continue to say the Hail Mary prayer.</p>	<p align="center"><b>RE</b></p> <p>Today we are going to think about some of the things that we have done that we want to say "sorry" for.</p> <p>Have you pushed someone? Have you made a mess at home and not tidied it?</p> <p>We are going to write a prayer to God to say "sorry". We should ask him to help us to do better again.</p>
