Due to Covid regulations the children must wear their swimwear to school under their school PE kit. This will avoid the need to use the changing rooms prior to their session.

The following measures have been put in place to ensure that the pool remains a safe environment.

- No other activities will take place in the same pool when lessons are on. This will create the additional space that will be required to accommodate lessons and maintain social distancing requirements
- On arrival, there will be a one-way system in place, directing the children to their lesson
- Swim instructors will be required to teach from the poolside and maintain social distancing from pupils at all times
- Cleaning has been increased at the centres and procedures have been reviewed to ensure they meet COVID-19 Public Health England and Government guidance

Girls must be provided with a full swimsuit, (no bikinis please) swimming hat, towel and a plastic carrier bag.

Boys must be provided with 'underpants style' swimming trunks (no shorts please), swimming hat, towel and a plastic carrier bag.

Please note that children are **not to wear goggles, nose plugs or any form of jewellery/earrings.**

All swimming uniform must be clearly labelled with names and class.

Many thanks / Miss Spicer and Miss Wright
