

GIRL FOOTBALLERS WIN BRONZE

Read all about it!

11 girls in Y6 were selected to represent school in our Borough Tournament.

They had 2 coaching sessions before playing 8 competitive matches.

Everyone had to volunteer to play in 2 positions.

We had 3 wins, 4 draws and one loss.

When the results were announced, we finished 3rd with bronze medals.

The Olympic value that we showed was determination.

We all felt part inspired and supported in our team and never gave up.

Captain Desiree said that she liked playing the harder games as they had to work out new strategies to do well.

Hanna loved sitting in the sunshine after the matches, eating lunch with her teammates

Kimberley was so happy to get a medal.

Alessia loved playing against other teams and wanted to see how determined they were when tackling.

Joanna was proud that we defeated most other teams due to our teamwork and encouragement of each other.

Sara like how, when not playing, we could watch the other teams, see their tricks and try to copy them in the next match.

Alannah learned more about how her friends and team-mates played together and how they all improved.

Joanne is sure that our team played better and better in each match.

Audrey enjoyed being in another school and being in a competitive event.

Maya like how, even if they fell, our players got back up and carried on.

Melia liked hearing encouragement from her teammates and sharing compliments with each other. She was nominated Player of the Match for her excellent and determined all round play. She was also the highest scorer.

Coach added that it was a brilliant outing, lots of positive play and great to see the development of each player.

Our Student Teacher saw a fantastic effort from the entire squad and delighted to be rewarded with medals.
