

Ealing Rugby host the Tag Rugby finals.

Going to competitions should be and is a part of our education because it enables you to make new friends and have fun while learning. Hanna Y6

The more competitions you do, the more active you are. While they might be tough, you improve your performances and just want to do more.

It was totally worth being in this competition because if you try your best and believe in yourself you will do well. Have faith in yourself. Patryk Y6

It was so much fun even if my tag kept falling off. I would love to do it all again.

Our Player of the Match was Zuzanna who transformed from not liking it very much to not wanting it to end.

**Congratulations to both of our teams who played 9 matches.
Everyone made progress and one team just missed out on a medal.
Many thanks to Ealing Trailfinders Rugby.
All children under 13 get in FREE to see their matches.**

We are Team Visitation
