

Y4 Megafest Tag Rugby report by Edessa

On Friday 26th November some Y4 children went to a Tag-Rugby festival on Cardinal Wiseman's AstroTurf. We did 9 activities. Each one deepened our Tag Rugby skills and each got harder.

"I enjoyed all activities and it was all so much fun' Maya 4Y.

Each activity had 2 or 3 Cardinal Wiseman students to give us instructions about the activity and what to do.

"I liked Rob the nest where we had to take the rugby balls and bring them back to our nest".

One player in each team who showed the Olympic value of 'RESILIENCE' got a free Adult ticket to see Ealing Trailfinders Rugby play a home match. All children U13 can attend for FREE.
