

Curriculum Newsletter Summer Term 2022 - Year 1

Term	Topic
Summer first half term	Would a Tiger make a good pet?
Summer second half term	What do you know about our Queen?

Religious Education

We will cover four different units focusing on different themes within our religion.

These are:

- Holidays and Holy days - our focus will be Pentecost and spreading the good news.
- Being Sorry - God helps us to choose well/ Sacrament of Reconciliation
- Neighbours- Neighbours share God's World

English Reading

We will be reading a range of fiction and non-fiction texts with the children. We will be discussing key features of texts and the difference between different types of books and their layouts.

At school, we will focus on reading every day in an adult led group using a range of phonic based books from our new `Little Wandle` reading scheme.

The Year 1 children will use reading records; these will be sent home each week with 1 colour band book and 1 Little Wandle reading scheme book. Books will be returned to school on a Wednesday and given out on a Thursday each week.

Writing

During this term we will be looking at reading and writing:

- Poetry
- A fact file

Within each genre we will look at the key features and learn to recognise and use these within our own writing.

Handwriting

This will be taught every day during the summer term. As a starter to each lesson the children will all join together to partake in some simple finger warm up exercises.

During handwriting lessons the children will all sit at a table and hold a pencil/white board pen comfortably and correctly; formation of lower case letters in the correct direction, starting and finishing in the right place. The children will be taught to lead out from a letter in preparation to join their letters.

Phonics

We are teaching the children daily phonics through our Little Wandle phonics scheme. This teaches the children Phase 5 sounds and continues revising the phase 3 & 4 sounds and tricky words. When reading with your child we will be encouraging them to sound out any unknown words. If there are any sounds that you do not recognise please email through the school admin address and either Mrs Bratchell or Ms Hashi will contact you with support or put a message onto class Dojo.

The children took part in a Mock Phonics Screen Check in March and will complete another one in May. This allows us to continue to track the children's progress in phonics and further support some children with daily keep up sessions.

Grammar and Punctuation

This term we will be really looking at the way we include punctuation in our writing.

We will be looking at:

- finger spaces
- capital letters
- full stops
- Question marks
- Using conjunctions
- Using adjectives

Maths

We aim to cover the following topics this term:

- Times tables
- Multiplication
- Division
- Data
- Number
- Money
