

Tuesday 24th May 2022

Dear Parents / Carers,

I am writing to let you know that the school now has an alternative provider for the after school club. After half term after school provision will now be run by 'Boom Sports' who provide 'wrap around care' for two local schools, St John Fisher and Selbourne. They come highly recommended.

Guidelines require providers to register for OFSTED with each individual setting. While 'Boom Sports' register our school they can only provide care for pupils for two hours. After school club will therefore only run between 3.30pm and 5.30pm. School staff will supervise Reception – Year 2 pupils between 3.15pm and 3.30pm and then will escort them to the Nursery. Once 'Boom Sports' are registered with OFSTED they will be able to extend the provision until 6pm. It is essential that you collect your child by 5.30pm each evening as legally the club will have to close at that time.

Please book using the link below. The provision will begin on Wednesday 8th June.
