THANKFULLY we have had a less eventful week this week. I had the privilege to accompany year 6 on their residential trip to Osmington Bay. It was a joy to spend this time with the children. They were a credit to us all. They were polite, kind to each other and respectful of everyone around them.
Well Done Year 6!

UNIFORM: A reminder that all children must be in winter uniform next week. That is a shirt and tie. Please do not put children in a polo shirt and tie. Tights must be blue not black.

BELONGINGS: Please LABEL your child's belongings including water bottles. It is so much easier for us to return lost property when it has a name.

RECYCLED UNIFORM: We will endeavour to sell re-cycled uniform at the coffee morning. For working parents who would like to have access to the re-cycled uniform; we would welcome a volunteer to run this one evening in October. Please let the office know when you are available.

If you have any uniform that your child has grown out of please bring to the school office.

COFFEE MORNING: A reminder that the next coffee morning is next Friday 7th October. If you are a parent of a pupil in **year 1** and can help please send me a message via Class Dojo or contact the school office.

Helpers will need to bring in milk and ask parents in their year group to donate biscuits/cakes

OPEN EVENING: There will be an **Open Evening for new parents** on Wednesday 2nd November at 6pm. If you have friends, family or neighbours whose child will be due to start Nursery or Reception next September please tell them about this opportunity to visit the school.

HARVEST: We will be supporting Ealing Food Bank again this year. More and more families rely on the food bank to supplement their weekly groceries and this has further increased with job losses due to Covid. If you can, please donate non-perishable items. We will be collecting food donations for the local food banks from this Monday 3rd October. This forms part of our commitment to support local, national and international charities.

YEAR 6 SECONDARY SCHOOL

TRANSFER: A reminder that if you are applying to secondary schools your application **MUST** be received by **31st October** or you risk your child not getting a place. If you are applying to a Catholic School you **MUST** complete the LA form and the school form. If you need any help with your application the office staff will be happy to assist you.

BUILD IT YOUR WAY: On Thursday 6th October Marybelle and her team in the kitchen will be cooking different pasta options for the childrens' lunch. The children having a school dinner on that day will be able to choose between macaroni cheese, spaghetti bolognese and tomato pasta.

KEEPING SAFE ONLINE: There are many websites to support you to keep your child safe online. A few tips to help you help them:

- Talk to your child about how long they are spending online and agree a time limit. If you agree this with them it will make it easier to stick to the arrangements.
- Talk about the difference between online learning and playing. Both need time limits.
- Make sure that your child knows how to deal with cyber bullying. This can include unpleasant or threatening messages on group chats, texts or WhatsApp. This can also take the form of being excluded from or left out of a chat. This can be really hurtful.

Support your child with what to do if this happens to them or someone they know.

- Take action – know how to report cyberbullying if you or someone you know is experiencing it.
- Be an upstander not a bystander – don't let cyberbullying slide. It's OK to call it out.
- Speak with your friends regularly and check in to see how they are going.

If you need any help from the school please contact us. We can help you with privacy settings, how to deal with concerns and talk to your child about their screen time.
