How are places offered

If you live in Ealing your application for primary schools, including any schools outside Ealing, must be made online or on the Ealing common application form.

Many schools have more applications than there are places available. When schools are oversubscribed a set of admission criteria (rules), are used by the school's admission authority to decide which children should be offered places. Different schools have different admission rules so it is important that you check the admission arrangements for all the schools you are interested in.

The Admission authority for foundation, voluntary aided schools and academies is the school's governing body.

The Admission authority for community schools is the local authority in which the school is located. The admission authority for community schools in Ealing is Ealing Council.

What do I have to do?

1. You should list up to six schools in order of preference

To help you make this decision you can:

- Find schools in your area by looking online or in the prospectus
- Read the admission criteria for schools you are interested in and consider whether your child would be offered a place

- Arrange to visit schools
- Consider other sources of information, e.g. the school prospectus and Ofsted reports.

You need to read the full arrangements for the schools you are interested in to get the complete picture. Full details can be obtained at: www.ealing.gov.uk/admissions

Information about schools outside Ealing can be found on the LA's website where the schools are located.

2. You must make an application by 15 January 2024

- We recommend you apply online at: www.eadmissions.org.uk. Please note that unless you receive an application reference that is similar to this: 307-2024-09-E-123456 you have not submitted your application
- The closing date for online and paper applications is **15 January 2024**
- If you are applying to a voluntary aided school. Check online or contact the school to see if you need to complete a supplementary information form (SIF). SIFs are used by some schools to obtain the additional information needed to apply their own admission rules correctly, for example faith schools may ask for evidence of religious attendance or faith membership. SIFs must be returned to the schools direct by the closing date.

What happens next?

3. We will inform you of the outcome of your application on 16 April 2024

- If you applied online you will be sent an email with the result of your application during the evening of 16 April 2024
- If you made a paper application you will be sent a letter by first class post on 16 April 2024.

If your child qualifies for more than one school, you will be offered your highest ranked school at which your child qualifies for a place. It is very important that you rank your schools in order of preference.

If your child does not qualify for any of the schools you have ranked we will usually offer you the nearest school to your home address with an available place (this only applies to Ealing residents).

4. What can you do if you are not happy with the school you have been offered?

- Consider information about the criteria and distance of the last person to be offered a school place
- We will automatically register your child on the waiting list for any unsatisfied higher preferences
- Do not decline the offer of a place before speaking to the admissions section on 020 8825 5511

- Hold onto the place offered until you have secured a place at an alternative school
- Lodge an appeal if you feel that you have a strong case, information on the appeal process can be found at: www.ealing.gov.uk/admissions
