

Dear Parent/Carer,

**As you are aware the funding for Universal Free School Meals is extended until July 2026.** This means that primary school aged children who attend our school will continue to receive a healthy, nutritious meal so that no child goes hungry in the classroom, and all pupils can better concentrate on their studies.

Even though your child is receiving their free school meals automatically, it is still vitally important – if you have not done so already – to complete a short registration form in case your child is eligible for extra funding for our school from the Government, worth over £1,300 per year. That's more money for extracurricular activities, teacher development and support for children who need it most. This will ensure you will also receive any other benefits you may be entitled to, for example subsidised school trips.

For more information about this and anything else about the scheme please visit the online hub:

<https://www.london.gov.uk/free-school-meals>

Children will either have a school lunch every day or a packed lunch every day. They will not be able to swap from one to the other. You will need to sign your child up to packed lunch or school lunch using the form attached. You will be able to change your preference at the beginning of each term. This will ensure the catering company adequately cater for the number of meals needed on a daily basis and to ensure there is no food wastage.

***Please note that packed lunches must not contain nuts in any form (including cereal bars) or confectionary.***

**To confirm from Monday 3<sup>rd</sup> November, children must have a school lunch every day or packed lunch every day until the end of each term.**

If you would like any further information with regards to any of the above please do not hesitate to contact the school office.

Yours Sincerely

Miss K Coll
