

Tennis

Let's Go! Tennis previously known as Matchpro Tennis

We believe that with tennis, like all sports, it should be fun first. Our coaches are taught how to make the lessons fun whilst gradually introducing the technical aspects of the game to the children when they are ready. Our experience has taught us that too much technical instruction too early bores the children, hence the emphasis on the enjoyment value first. Each week, at the same time, a coach visits the school to teach the basic skills of the game. All equipment, rackets, balls and portable nets are provided. The children need only to wear the appropriate clothing.

- **Wednesdays – Years 1 & 2, 3.30pm – 4.15pm £5.50 per session**

To register go to <http://www.clubspark.lta.org.uk/letsgotennis/coaching> and follow the instructions on how to book. Any queries contact Lisa on 0203 291 2984 or email lisaletsgotennis@gmail.com

Open to boys and girls of all abilities, our weekly school football clubs will focus on children developing their skills and understanding of the game in a safe, fun and inclusive environment. Run by qualified FA coaches, each week the children will work on different skills such as dribbling, passing, and shooting with the addition of match play at the end of each session.

The one off membership fee of £45 is NOT mandatory for children attending school clubs. When registering for the FIRST time, use code: KDQ789 at checkout for this additional fee to be waived. However, if you would like your child to receive a kit and sticker book, please ensure this is paid.

The discount code to waive the membership fee is only for parents signing up for the first time. Parents that signed up for spring, won't have to use this again and can now just pay the term price at checkout.

Dodgeball Club

Mondays 3.30pm – 4.30pm for Years 2, 3, 4, 5 & 6 (10 weeks £65.00)

Open to children of all abilities, First Steps Sports Clubs after-school dodgeball club offers a variety of dodgeball games and activities that help improve agility, coordination, reaction speed, and communication. Every session is designed to be inclusive, ensuring that every child has the chance to participate, learn new skills, and have fun.

Gymnastics Club

Tuesdays 3.40pm – 4.40pm for Years 2, 3, 4, 5 & 6 (10 weeks £65.00)

Help your child build confidence, strength, and coordination at First Steps Sports Clubs exciting after-school gymnastics Club! Designed for children of all abilities, their fun and engaging sessions introduce a range of gymnastics skills in a safe, supportive, and encouraging environment. Children will have the opportunity to develop balance, flexibility, agility, body control and more through carefully planned activities and exciting challenges.

 Join the Adventure at Animation Club! 

Unlock the door to a world where your imagination leaps off the page and onto the screen! At Animation Club, students dive into the magic of animation, transforming their creative ideas into vivid, moving stories. With access to handheld cameras and an innovative editing suite, the possibilities are endless. From crafting voiceovers to adding dynamic music, titles, text, and sound effects, our young animators will learn to fine-tune their masterpieces with tools designed to unleash their full creative potential.

Dive Deep into the World of Animation

- **Human Animations:** Experience the thrill of being in front and behind the camera, mastering the core principles of animation while fostering teamwork.
- **Software Mastery:** Experiment with music, voiceovers, filters, and backgrounds to enhance your storytelling.
- **Claymation Magic:** Design and morph Playdoh characters, exploring the fundamentals of animation through tactile creativity.
- **Lego Animation:** Unleash your storytelling through Lego, constructing your designs and bringing stories to life with magic tricks and illusions.
