Prayer of the Day

Lord Jesus,

During this season of Lent we ask for the power of your Spirit that we may become;

More thoughtful towards others,

More honest with ourselves,

And more faithful to you.

Help us to walk in your presence and grow as the people you want us to be.

We ask this through our Lord Jesus Christ, Your Son.

AMEN

CALLING ALL GARDENERS Big and Small:

We are getting closer to our goal!

Thank you to the parents who were able to come last week to help dig up the field. Unfortunately we only had seven adults in total which meant we were unable to complete the job. **We will be digging up the remaining part of the field tomorrow so we will need all the help we can get.**

A parent has kindly donated turf which we will be laying tomorrow. A huge thank you to that parent. This will make the work much easier and a lot more successful. I cannot wait to see the outcome of our hard work, and hopefully the children will, once again, have a nice field to play on in the summer.

Can you help? Saturday 30th March from 9.30am to 12pm. Children are welcome.

SUMMER UNIFORM: We will come back after Easter in our Summer uniform. See next week's newsletter for more details.

COFFEE MORNING: Thank you to everyone who attended the coffee morning. It is always nice to have an opportunity to chat to parents and for parents to meet new friends.

HEAD LICE: We have had a few cases of head lice. Can you please make sure you check your child's hair regularly and treat it if there are any signs. If hair remains untreated children just keep getting them again and again.

A reminder that **all children with long hair need to come to school with their hair tied up.** This helps to prevent the spread of head lice.

HALF TERM PROJECTS: We have had yet another amazing response to the half term projects. The children really enjoy these and are benefitting from working with their parent/carers. Thank you to everyone for embracing this initiative.

SPORTS NEWS: What a busy week in Sport for Visitation athletes! 14 athletes competed in a Panathlon. Doing a circuit of new activities, the aim was to score as many points as possible in a fixed time. The activities included kurling, ten pin topple, parachute popcorn, precision beanbag and Harlem hoops. The children loved every moment of the day and were thrilled to return back to school with the Winners' trophy and gold, silver and bronze medals. Well done to the team, our best ever medal haul!

19 pupils in Year 4 and 3 attended a Change for Life Festival. They too did a circuit of new games including capture the flag, sitting volleyball, bean bag bank and catch and throw in teams. They all really stretched themselves and were energised from the event. Let's all get moving more now that the days are getting longer.

MUSIC NEWS: We had three wonderful music concerts yesterday; year 3 and 4 recorder, year 5 drumming and after school club drumming. The children are all developing strong music skills and are beginning to read notation and make their own compositions. We could see very clear progression in the skills from year 3 to year 4. Giving the children the opportunity to learn an instrument for two years has been a huge benefit to their skill development. They have a secure foundation on which to build up their musical expertise. This can be seen in the increased standard presented in the drumming and composition in year 6. Well done to Ms Wildman who teaches the recorder and Ms Bruce who teaches the drumming.
