Prayer of the Week

**Lord God, Creator of light,
at the rising of your sun
each morning, let the
greatest of all lights – your
love – rise, like the sun,
within my heart.**

Amen

Liturgical Celebrations

Monday 1st July – *Sacred
Heart of Jesus*

Tuesday 23rd July – *Leavers
Mass*

**All Masses will be in the
Church at 10am unless
otherwise stated**

TRANSITION: Following last week's newsletter a reminder that 'Move Up' day will be on **Friday 28th June** when the children will get the opportunity to spend the day with their new teacher. This is also the day that the children going to Cardinal Wiseman High School will be spending the day there. Those children not going to Cardinal Wiseman High School will be talking to the Year 5's about what it is like to be a Year 6 pupil and giving them some helpful tips.

As part of Year 6 transition to Year 7 we have taken part in the Ealing Junior Citizen scheme. The idea of the scheme is to raise the awareness of children to the dangers that they may face in everyday life. The scheme also teaches the students how to correctly use the "999" system. The Metropolitan Police Service, London Fire Brigade, London Ambulance Service and London Transport provide simulated scenarios for the children to take part in.

WELCOME MEETINGS: There will be meetings for the parents of the children who will be coming to our school next year. The welcome meeting for the children who will be joining **Reception** will be on **Tuesday 18th June at 2.45pm** and the welcome meeting for the children who will be joining **Nursery** will be on **Thursday 20th June at 2.45pm**.

FUNDAY SUNDAY, WE NEED YOUR HELP: Have you signed up to help? If not please do otherwise some of the stalls will be cancelled!

THEME WEEK: This term we will be having a whole school Geography and History focus on countries that are representative of our school population.

The countries we will be learning about are;

United Kingdom, Ireland, Poland, Eritrea, India, Nigeria and Ghana.

CAN YOU HELP?: We would appreciate your expertise in developing the children's knowledge. Would you be available to help children cook a traditional dish or talk about the landscape or economic situation in your country? Could you talk to the children about what it was like growing up in your country? The theme week will take place between 24th and 27th June with a presentation day on 3rd July.

If you can help/share your expertise please speak to your child's class teacher or let Emma in the office know.

FUNDAY SUNDAY: We need donations of the following:

- Unwanted gifts or bottles to raffle.
- Nearly new toys, games or teddy bears for the Bric-a-Brac
- Nail varnish that you don't use anymore
- Unwanted adult and children's books
- Cakes (on the day)

All donations should be brought to the school office.

All help is gratefully accepted.

Last week two teams competed in the **Ealing Borough Girls Kwik-Cricket competition** at Ealing Cricket Club. The Y6s competed in the A league and the Y5s in the B league. Here's what they said about it:

Aimee: I found my day at this competition really exciting but also challenging. Our encouraging coach pushed us to do our best. We lost our first game, but our determination helped us to succeed in the next 3 matches and we finished joint first in our League, but lost out on runs scored. I am really pleased with our overall performance and look forward to playing another match soon.

Stephanie: Playing 4 games of cricket really helped me to develop my skills and be positive about reaching our goals. We were all respectful to other teams even if we lost. We just kept trying and didn't give up. When they gave the results and announced us in joint first place I felt like all the hard work paid off.

Harmoni: There is so much more to cricket than just winning. You should enjoy every minute of it and show respect to the other teams. Always shake hands with the other team at the end of the match.

Thajinsiya: It was fun being Captain because the team really listened to me as they wanted to do better. I learned lots about cricket and want to do more at school. Players of the match were Stephanie in Y6 and Thajinsiya in Y5. Well done to all the players!

A MESSAGE FROM EALING COUNCIL'S PARKING SERVICES: Ealing Council have decided to remove the 10 minute grace period in resident parking bays to allow parents to drop off their children. From the week commencing Monday 2nd September vehicles parking in contravention of the restrictions will be issued with warning notices for a period of two weeks. Following that **tickets will be issued**. The council have said, "*Based on the Mayor's Transport Strategy and our own strategy, the removal of the concession will enable the Council to meet objectives in modal shift by reducing car journeys, improving air quality by reducing vehicular emissions and improving health and well-being by promoting active travel*".

Walking, scooting and cycling can help to increase pupil's physical activity and improve their health.
