The table shows the number of pupils in your school who were eligible for Key Stage 1, the number achieving each performance category and the percentage who achieved the expected standard (EXS) and who achieved a greater depth within the expected standard (GDS)

Key: A = absent,

D = disapplied (U is still an acceptable value for Science if it is not possible to use A or D),

BLW = below the standard of the pre-key stage,

PK1 - 4 = Pre-Key Stages 1 to 4,

HNM = has not met the expected standard,

WTS = working towards the expected standard,

EXS = working at the expected standard,

GDS = working at a greater depth within the expected standard.

*National figures for 2019 have not yet been published, any national figures shown in the table are provisional figures from NCER and are subject to change.

**Reading, Writing and Maths do not report HNM. Science does not report BLW, PK1-4, WTS or GDS.
